Papers Submission:

Authors are invited to submit extended abstracts, which must be written in English and must be received by **July 31, 2019**. Extended abstracts should not exceed two A4 pages with 25mm margins on all sides, in one column format, and with 10-point fonts or larger. Please include the title, author names, affiliations, and addresses on the top of the first page of the extended abstract. The extended abstract should be prepared in PDF format, and it should be submitted via the SSS Web site.

Authors will be advised regarding acceptance of the extended abstract by **September 1, 2019**. The authors of accepted papers are requested to submit the manuscripts for the proceedings following the instructions available on the SSS Web site. The manuscripts should be prepared in PDF format and submitted electronically on the Web by **October 18, 2019**. The maximum length of each manuscript including both text and illustrations will be ten pages (about 7500 words).
